

# Testimonials

**Nabina Thapa** (+2 Student)

I was convinced that I had to proceed my life being expert in managerial aspect of business world. So, I determine to choose management stream and I joined Everest College. Teaching and learning at Everest is student centered. I find Everest College the destination to forward the mission of my life. The class teachers are self-motivated, encouraging and the management is co-operative. Some of the common techniques I find at Everest College are guest lectures, case study analysis, group discussion, departmental seminars, group and individual projects, presentations, questionnaires quiz and field-visit to experience the theory in practical situation. At last, I prefer that the students who have passion to be the leaders of the world, Everest College is the one which you are absolutely in need of.

**Prem Kumar Raut** (Parent)

Every parents want to join their children in the best college to achieve the degree but the adolescence excitement and transition of life of the children become one of the problems to choose it. Me too was in confusion to shape the career of my son in the best college. When I visited Everest College, I found co-operative academic professionals who want to change the existing society bringing new vibration in the present education system. Then I joined my son at Everest. Homely environment, regular assignment, parents meeting, regular evaluation are the features I find in this college.

# Scholarship

Everest college provides scholarship for both need based and merit based students to push them academically up which aims to explore the internal capability for the welfare of an individual ,community, and nation to link it to the international commercial market.

Merit based scholarship will be provided for the deserving students on the basis of standardized test ,internal examination,S.L.C. toppers, school toppers. Need based scholarship will be provided for those students who are from poor economic background which will be based on remote area under privileged students etc.

So, if the students are not able to maintain the standard, the scholarship may not be continued.

NOTE:- for more information, contact admission office.
